LIVE UNITED.

There many ways to support Kishwaukee United Way. One is to volunteer your time and talents. Whatever your interests, there's a United Way partner program that needs your help!

This is why I volunteer...

“**THE HEART OF A VOLUNTEER IS NOT MEASURED IN SIZE, BUT BY DEPTH OF THE COMMITMENT TO MAKE A DIFFERENCE IN THE LIVES OF OTHERS.**”

Why Give to Kishwaukee United Way?

Kishwaukee United Way volunteers spend time ensuring that your donated dollars are being invested wisely into programs that are achieving results in DeKalb County. United Way Partner Agencies must demonstrate throughout the year that they are achieving positive outcomes with their funding. By giving to United Way, you can positively impact the lives of many through the different programs that receive United Way dollars.

If your company doesn't have an annual campaign, visit our web site at www.kishwaukeeunitedway.org to learn how you can help.

“The support Family Service Agency receives from the United Way is amazing! Without their contributions we would not be able to assist the members of the community to our fullest extent and provide such quality services. Family Service Agency gives back to the United Way knowing that we are truly making a difference in the community we live in. Thank you Kishwaukee United Way for all you do & to everyone who contributes!”
