Save the Date: Kishwaukee United Way Readies for Annual Event

DEKALB, IL – Kishwaukee United Way will host their annual fundraising event, *Taste: Bottles and Brews*, on November 8th at St. Mary's Memorial Hall in Sycamore. Attendees will have the opportunity to sample wine and microbrew beer while enjoying appetizers, desserts and live music. A large silent auction is featured including a variety of items for all ages, highlighting local donors, and raising significant funds for the agency. Sample gift baskets include Pampered Chef items, tastings, spa baskets, kids items, restaurant certificates, sports item and much more.

“The evening is sure to offer fun, fabulous food and entertainment as well as the chance to connect with friends and colleagues for a wonderful night out,” explains Dawn Littlefield, Kishwaukee United Way Executive Director. “We are thrilled to offer a robust silent auction, talented local musicians and a feast of appetizers and desserts by Premier Catering.” Kishwaukee United Way is seeking local breweries, wine tasting vendors, sponsors and donations for their silent auction gift baskets. Sponsors will receive public and social media recognition for their generous support.

“It is important to note that all donations made that evening help support our 24 local partner agencies – supporting programs that provide shelter, meal delivery, help families and children in crisis and much more,” said Littlefield. To learn more about how you can participate in the event via sponsorship or item donations, or to make a reservation to attend, contact Kishwaukee United Way at 815.756.7522.
